

Add an Embalming Machine to Complete Your Procedures

**Call for more information
(800) 410-0100**

Standard Design Features

- All stainless steel construction
- Large sink basin
- Hot and cold water mixing faucet mounted on top deck with high spout for use with your embalming machine
- Deluxe aspirator with reverse flow for additional waste removal: "reverse flow" feature instantly relieves suction clogging by providing a reverse pressure of water.
- Spray hose assembly with spray nozzle and 10 feet/3 meters of flexible hose
- Waterproof electrical outlet
- Access panel
- Internally plumbed and wired – requiring only single point connection of water and power
- Embalming machine sold separately

Optional Accessories

- Splash guard cover for sink basin
- Waste disposal unit
- Eyewash assembly
- Perimeter sink rinse assembly
- Hot and cold water mixing faucet
- Exhaust vent to connect to building ventilation system
