

Standard Design Features

- U-shaped table is designed for use as a large animal necropsy table. It features all heavy gauge stainless steel construction. (11 gauge Type 304 with a no. 4B Finish)
- The unit is designed to handle a centralized load up to 5,000 lbs./2267 kg. and an offset load up to 2,500 lbs./1113 kg.
- The inner frame support is fabricated from heavy gauge steel tubing
- The unit elevates from 21 to 42 in./53 to 106 cm. above the finished floor (could extend up to 56 in.)
- The table top and inner frame support are attached to an electrically powered hydraulic scissor lift. The lift has a capacity up to 6,000 lbs./2721 kg. (115v / 60 Hz / 1 Phase - 1.5 hp motor)
- A 52 in./132 cm. drain slot is centrally located on the back edge of the table. The back edge is the side opposite the "U" shaped indent
- Accordion style bellows surround the scissor lift allowing for complete washdown of the unit
- Easy to use up/down elevation control
- Provided with (2) swivel and (2) non swivel casters
- Floor brake to secure in place
- Tabletop can be sized to your specific project requirements
